The agenda details that accompanied that motion were: "If a full version of ConFest is decided as impractical after due consideration, for the benefit and reward of DTE Coop members, facilitators and previous 24hr worker volunteers engagement, team spirit and practice, we consider downscaling 2022 Easter ConFest by holding a large working bee instead. Our hard workers deserve some opportunity to get together on site and make a positive contribution to maintenance and ground keeping, sing, dance and swim in the river etc. DTE will dwindle and die if there is no encouragement of community spirit among our core participants. The amended motion that PBM was:

01:33:14 Peter Tippett: "The 2022 Easter ConFest has been cancelled by motion 13949. Confest Committee endorses the holding of a large working bee during the period that would otherwise be called pre-set up, set up, the festival and pack down. All DTE Coop members, facilitators and previous 24hr worker volunteers will be invited. This matter be referred to the Organising Committee with the endorsement of Confest Committee." The old Husqvarna ride-on has been repaired many times but is now not repairable. We need a ride-on mower that is designed for large rough areas, not one more suited to parks, golf courses etc. A \$3000 budget will let us look around for the most suitable second hand mower up to this price.Motion: That \$3000 is placed in Andrew Wilkinson's Bendigo Bank account to purchase a Ride On mower.Item by: Kathy Ernsthttps://data.dte.org.au/files/get_file.php?id=594

03:29:47 Martin 1731: is it more work than driving to Ceres and writing them on the board each week
03:29:57 Peter Tippett: Lol.
03:30:24 Mark R: Ceres was once a month. Now we are meeting once a week
03:31:21 Robin M: hear hear Kathy, we aim to do better
03:31:26 Robin M: not go backwards
03:31:28 Mark R: Thanks Kathy
03:31:33 Gaz: peter there is a problem with motions from numerous mths are not listed as a priority as they have been there for ages and new motions suddenly have priority
03:31:37 Martin 1731: still easier with an interactive system
03:32:15 Peter Tippett: Lets give Robin 2 weeks to get something working.
03:32:30 Kathy and Vanessa: The reason I am taking it personally is that these words have been said directly to me
03:34:08 john: Meeting nearly over.
03:34:18 Peter Tippett: Who by? When? BTW when you stated that you sent that 4/2 doc to CC what address was that?
03:35:42 Martin 1731: I'll just remind you all that you did not support Peter on the last motion, then you all expect him to do more work straight after that. great timing
03:36:06 DeB♥ : I'm sorry peoples, I have to leave now. Goodnight ♥
03:36:42 Peter Tippett: The OC can extend I think.
03:36:58 Peter Tippett: Attendees qualified to vote due to being registered 3 out of the last 5 meetings: Andrew Wilkinson, David Cruise, Ian Hales, Kathy Ernst, Kevin Taylor, Lindy Hunt, Marte Kinder, Peter Tippett, Robin Macpherson,
03:37:51 Martin 1731: So we now know who not to support in their future support of dte
03:38:06 Peter Tippett: 3Y 5 N
03:38:08 david cruise: nynnnynyn
03:38:19 Peter Tippett: So what is IT I am doing? Leaving items up forever?
03:38:20 Mark R: Motion failed.
03:38:29 Peter Tippett: Lol
03:38:46 Mark R: You should be able to tweak it Peter to make it easier
03:38:52 Peter Tippett: Marte can you hand host over before you leave?
03:39:03 Martin 1731: I guess they better pay for services demanded
03:39:15 Peter Tippett: How Mark. Serious question. Not the code but how is it going to work?
03:39:21 Peter Tippett: Anyone else?
03:39:33 david cruise: next 24 feb meeting closed 11.02
03:39:33 Peter Tippett: Should I send an invoice Marty?
03:39:38 john: Meeting closed 23:02
03:40:19 Martin 1731: Yeah, do it
03:40:33 Peter Tippett: Lol.
03:40:53 Peter Tippett: Try messing with your volume levels Marte. Mic might be too low.
03:40:54 Martin 1731: God if I was forced to build something I'd say get st...
03:41:09 Peter Tippett: Tempting. Lets see what Robin has in 2 weeks
03:41:29 john: Lol Marty!
03:42:04 Robin M: the motion is clear Peter T, it asks you to do it
03:42:14 Peter Tippett: What is it Robin?
03:42:26 Peter Tippett: Are you able to spell it out?
03:42:37 Martin 1731: I can confirm shenanigans on golf carts does not end well
03:45:01 Peter Tippett: A silly system for silly people.
03:45:53 Peter Tippett: Vanessa are you still using that laptop? Can you send Kathy an email informing her she has lost my vote at AGMs going forward? Thank you.
03:48:11 Marte 1823: Good night everyone

04:03:51 Peter Tippett: I don't need to explain how it is unworkable. Someone needs to explain how it
is. DTE needs to stop the abuse. It is that simple.
